726/81 Station Street BONNELLS BAY NSW

Never to be repeated, with only one lot left and no further stages to be released, act now and don't be disappointed. With first homebuyer grants on vacant land reducing from $15,000 to $10,000 come January, meaning you need to buy a lot and sign a contract with a builder prior, we suggest now is the time to act. For second and Third homebuyers take advantage of existing grants and secure your lot today.
