

## SUMMERLAND POINT

1  1 

Offering the right amount of privacy and seclusion but close enough for one to easily enjoy all the amenities, this unique hideaway is situated at the end of a quiet cul - de - sac on a 607m block of established mature gardens.

The loft bedroom as well as a small study look down upon, a charm filled lodge style timber building with vaulted ceilings and open floor plan.

The kitchen is spacious, modern and functional.

Full length timber windows offer ample natural light and character with sunshine spilling in from the verandah on three sides.

There is some finishing off to do and the bathroom and laundry are incomplete but just about everything is there to complete the job. PC items etc

A wonderful opportunity to complete this tasteful renovation
