This near new four-bedroom, three-bathroom home in the popular Aquilo Estate offers a comfortable and convenient place to call home. The open plan kitchen/dining/living area provides an ideal space for families or for entertaining with friends. The living room flows seamlessly out to a covered alfresco that facilitates a relaxing outdoor lifestyle. The modern kitchen has caesar stone bench tops and there's plenty of storage space available. The home has a good sized media/lounge room for that evening escape. Call Wilson Britten to arrange an inspection.
