

4 Avondale Road COORANBONG NSW

4 2 2

Set on a large block of approx. 822m², this solid four-bedroom, two-bathroom home offers plenty of opportunity for the astute buyer. The brick and tile home features an open plan with polished timber floor boards, reverse cycle air conditioning and slow combustion heating. In addition to that sought-after rear yard access, there's plenty of space to park a boat or motorhome. There's a real sense of space to this property which is positioned at the end of a no-through road. Perfectly located within walking distance to private schools, medical services and the village shopping complex and with easy access to public transport and the M1 freeway, you'd be wise to arrange an inspection of this neat little home as soon as possible. Give us a call at Wilson Britten to make this happen for you.
