

11 Babers Road COORANBONG NSW

3 1 1

With 3 bedrooms and one attractive bathroom, this house is one of the most solidly constructed homes you will find, having undergone recent refurbishment. The home has Cyprus timber floors, reverse-cycle air-conditioning and a large living room with dining off the kitchen. Externally there is a beautiful new deck, a single carport, a garden shed and fantastic side access allowing room to get all your current and future toys in and off the street. The home is walking distance to local schools and shops as well as having the regional school bus stopping near the front door. The location offers ease and convenience to amenities, as well as the M1 which is just under 10 minutes away.

Type : House
Land Size : 380 sqm
