From the moment you step inside, your breath will be taken away. How could what appears to be a plain home on the outside be so spacious and captivating on the inside. From the high ornate ceilings to the grand master bedroom with ensuite, walk-in wardrobe and private study to the modern bathrooms with gas hot water. The stylish kitchen which has gas cooking and the polished timber floors boards through out. Sit in front of the cosy combustion fire place or utilise the gas heating on those cold winter nights. The house is powered by a a 5kw smart meter and battery ready solar system reducing those costly energy bills. All these features as well as double carport and set on a low maintenance block, this property would make the ideal investment or first home.
