An amazing opportunity to enjoy the convenience of town living with a rural twist. Set on 2.5 acres, this sensational property offers a deceptively large 3 bedroom home. A beautiful blend of the old with some more modern touches such as renovated kitchen but with plenty of opportunity to add your own personal touches.

The home offers, three generous bedrooms, renovate bathroom, split system air-conditioning unit and large under cover deck. A massive tandem garage that would double as more informal living / games room if so desired with extra toilet and laundry with shower.
