

30 Crawford Road COORANBONG NSW

2  1  1 

Quarter acre blocks are becoming harder and harder to find, making this quaint two bedroom cottage a real consideration for all buyers looking under \$300,000. You can increase the size of a home but not the land, so why not consider securing this attractive renovated cottage, with new kitchen and bathroom and when the time is right expand creating more bedrooms and living as the family or the budget grows. Get the block right the first time and never look back. Contact our office today and make an inspection time to suit.
