

29 Avondale Road COORANBONG NSW

6  3  3 

Amazing scope and potential, from this solid bungalow style three bedroom home with two separate units all of which offer long term tenancy and demand due to its close proximity to Avondale College. With current and potential rent reflecting a total of \$560 per week we believe 29 Avondale Road Cooranbong to be one of the best investment propositions we have seen in a long time. Also due to the extra large 1619m2 block the property (pending council permission) could be further developed in years to come.

Type : House
Land Size : 1619 sqm
