

5 Charles Avenue MORISSET PARK NSW

4 2 3

We believe this to be one of the best presented homes on the market today. This four bedroom home on the Morisset Peninsula on almost 750 square meters of land would be perfect for the large family or retiree. With ample space to park the caravan, boat or even the work truck this four bedroom house with ensuite to the main bedroom has the added advantage of a workshop and garage positioned in the rear corner of the block. Inside the home there is a formal lounge and dining area plus living room off the large modern kitchen. You have direct access from the double garage to the house and as mentioned there is a side access to the rear yard and colour bond shed. A fabulous undercover entertaining area links the shed and the home plus a sunny rear yard full of citrus trees for the kids. After unpacking the boxes, take a stroll thru the Lake
