The open planned kitchen leads to the outdoor entertaining area where you can sit back and enjoy a barbeque while the family takes a dip in the gorgeous in-ground pool. You will keep a perfect temperature inside with ducted air conditioning throughout and the electricity bill will be slashed by the solar panels. There's plenty of room for all your cars and boats with double drive thru garage and extra parking out the front. It's safe to say this one won't be around for long, so call to arrange an inspection today!
