Designed like no other, we invite you to inspect this amazing master built residence offering an air of elegance, classic design and exceptional use of space. On entry you will marvel at the towering ceilings, drawing your attention to the several skylights which allow an abundance of natural light in summer and warm northern sun in winter. The sunken lounge room with an expansive open fire place is ideal for those cosy winter nights at home or entertaining. Separating the formal and informal living areas is an atrium bringing to the home natural light and ambience. The open kitchen, dining and rumpus room interacts with the formal gardens and patios offering privacy for day to day living as well as brilliant outdoor entertaining. There are five bedrooms, two perfect as guest accommodation, plus a study or home office which features an external door
