

32 Dora Street DORA CREEK NSW

3  2 

This solid 3 bedroom home is placed on a brilliant sized 1328m² block with the wonderful waterfront reserve onto Dora Creek, ready and awaiting renovation. With the house built so close to the water you can use the full potential of its views, and allow yourself to expand your home closer to the road with the massive front yard space. The residence comes with built-ins in the main bedroom and an upstairs deck with calming views over the water, the upstairs main bathroom with separate toilet but with an additional second bathroom downstairs connected to the laundry. Through the back door you walk onto an older style paradise room, sturdy but with no doubts would love to be expanded on for all your entertaining needs. Waterfront reserves with a block like this dont come by often so inspect today and be first to secure!
