Superior presentation, location and design result in this unique offering of an executive four bedroom home positioned at the end of a quiet cul-de-sac. The moment you get out of the car and walk towards the front door, you quickly realise you are about to inspect a home in a league of its own. The floor plan is exceedingly well thought out and whilst the home is larger than most there is no wastage of space, with the lounge, dining and family room all focused on the centre of the home where there is a gourmet kitchen with walk-in pantry, stainless appliances and all the modern conveniences you would expect from a property of this calibre. The home offers ducted air conditioning, wide hallways, four bedrooms, all double in size, with the main feeling more like a hotel suite, with an enchanting ensuite and walk in robe. Outside you will love the 1,038m² block
