Located in the Martinsville valley, this well established property must be inspected to be fully appreciated. The current owners have enjoyed raising their 3 children with room for various pets on this 1.5 Ha block (just under 4 acres) with the convenience of pony club grounds and riding trails nearby being an added bonus.

The generous country style home includes a homely feel and has been tastefully renovated under the guidance of Fay Baily Design of Newcastle. Well maintained and presented, the home offers 4 large bedrooms and a study, all comfortably accommodating queen size beds. Spacious living areas with features including raked ceilings, a sunken lounge area, brick feature walls, open and slow combustion fires all contribute to a homely feel.
