

## 10 Macquarie Street BONNELLS BAY NSW

3 2 2

It would take a local to know, but as far as locations go they don't come much better than 10 Macquarie Street Bonnell's Bay. Positioned on the high side of the road, this elevated yet level 803m<sup>2</sup> block will offer a quiet location on bus route and close to Morisset Station that also takes full advantage of prevailing northeast lake breezes. The home is solid and functional, offering entry to a large lounge and family rooms, dining area off the kitchen, three bedrooms, back rumpus room and bathroom. There is a large carport and garage to the rear of the block, and the house is positioned almost center of the block, allowing for a usable front and rear yard, with plenty of room to get boats, caravans and extra cars in off the street. The team at Professionals Morisset is ready and waiting for your inspection time, so call our office 7 days a week for a time to view.
