Having undergone a major refurbishment this four bedroom home now offers space, style and some enchanting lake views. Work to date has included, a modern up market bathroom, hardwood blue gum flooring in all the living kitchen and traffic areas plus stylish carpet in all four bedrooms. The floor plan has had a major transformation resulting in an expansive open plan living room which leads onto the elevated deck capturing lake views. There is side access to the rear yard, a single lock up garage as well as an above ground pool with extensive decking and landscaping making it very enticing for the summer ahead. Some finishing touches are required but only minor at best allowing you to add your own personal touches to this already attractive home. Enquire with our office 7 days a week for a time to inspect.
