

41 Campview Road MORISSET NSW

4  2  4 

A very rare offering being so close to the heart of the Morisset Township and close to train station are these beautiful 5 and a half acres.

Presently 1/3 of the land is beautifully manicured grass, while the remaining space is a mixture of natural long grass and a few scattered trees.

Perfectly suited for somebody who wants to seriously establish the grounds for horses or animals but not be too far out to secure this much space.

The four bedroom home is well built and in great condition, but has loads of potential to be unlocked.

There is a massive main lounge and dining area off the kitchen, as well a secondary living space on the northern side of the home which is in close proximity to three of the bedrooms. This would create a perfect kids retreat play
