

49 Martinsville Road COORANBONG NSW

4  2  4 

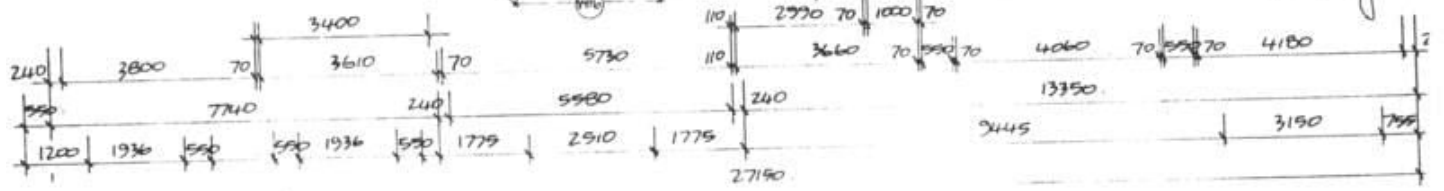

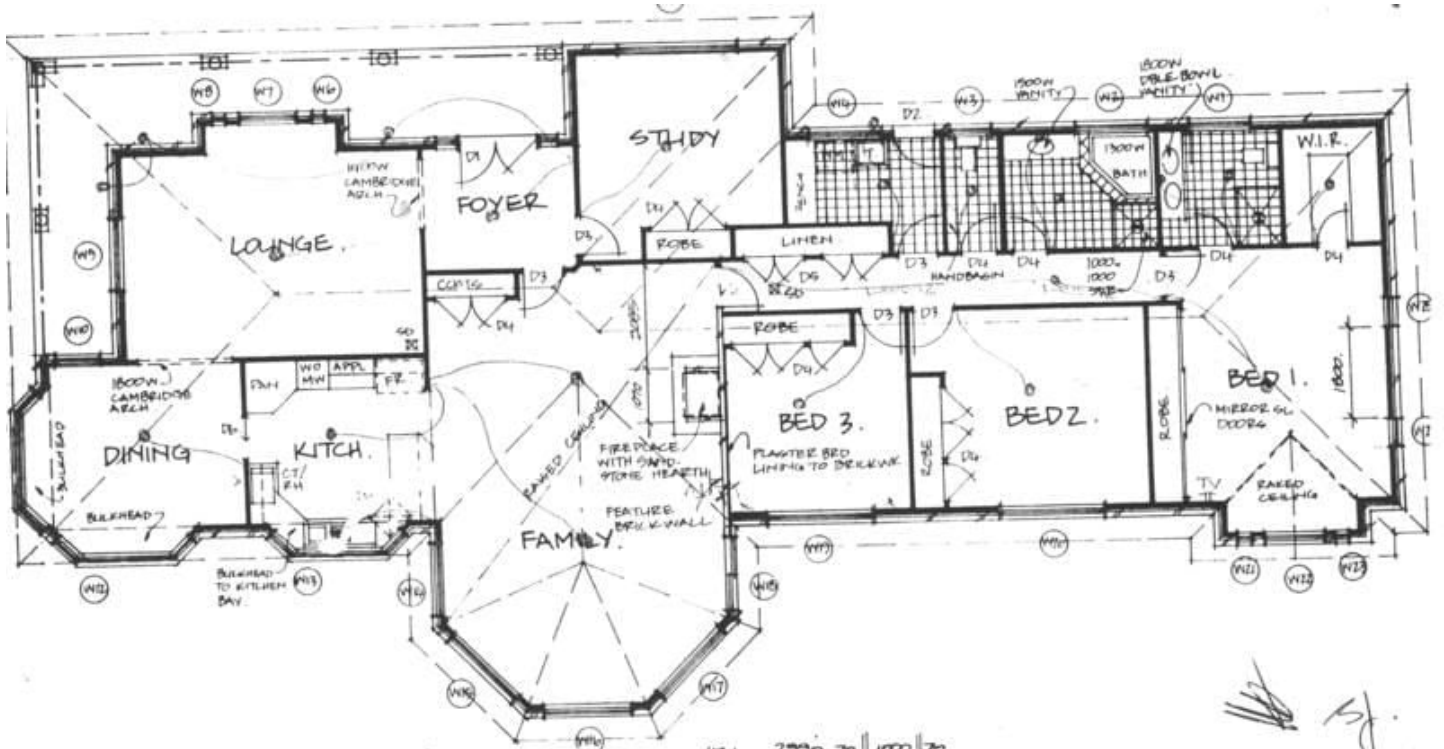

Set on approximately 2.5 acres of fertile park-like land, this 4-bedroom home has been cleverly designed for aspect, easy living and street appeal. Vaulted ceilings, granite bench-tops, an open fire and ducted air-conditioning are just some of the features that make this house a home.

Ideally located to town services and transport links, this home, at the gateway to the Watagans, has the advantages of close proximity to an equestrian reserve and walking/riding bush tracks. Inspection will not disappoint so call our office today for an inspection time to suit.

Type : House

Land Size : 9996 sqm
