

## 640 Freemans Drive COORANBONG NSW

Positioned on half an acre and surrounded by quality homes this level building block offers the unique affordable opportunity to build your dream home. With good street frontage, the land would be ideal for the keen gardener looking to make the most of this attractive corner lot.

Owner has a paid deposit and plans are in with council to build a 4 bedroom double garage home by Allworth Homes.

There is a drainage easement dividing the block, however we feel if maintained and landscaped correctly it prove to be the blocks best feature.

**Type** : Land  
**Land Size** : 2012 sqm
