4  2  2 

Set on approximately 2 acres in a quiet pocket of Wyee, this unique property offers space, privacy, and a peaceful outlook over a nearby estate. Positioned on the ridge, the home enjoys an elevated setting with a mix of cleared land and natural surrounds.

The home features four bedrooms and two bathrooms, with a practical layout suited to families or those needing extra room. A large lounge room provides a central living space, while the kitchen, though dated, is functional and connects to a dining area. An additional living area near the bedrooms offers flexibility for a second lounge, kids' retreat, or home office.

Outside, the property really shines with a substantial
